

Ambush Company

1st Battalion, 25th Marines

Official FY21 October Drill Notice

First Sergeant's Call

Marines,

I hope everyone has adjusted to their civilian lives well and your families are happy and healthy. We should all be reporting to drill recharged, refreshed, and ready to begin the new fiscal year. Take the time prior to October 17th to prepare yourself for your return and the integration of Ambush's motivated RBE. We are professional warfighters, and we must not forget that. Ensure you are all regularly in that mindset, and that you report to DWE looking and acting the part (haircuts, shaves, customs and courtesies, etc.) and are ready to train. If for any reason you feel that you will not be medically able to participate and run the CFT, ensure that you send (b)(6) all applicable documentation PRIOR to reporting on October 17th. Remember to verify your name on the hotel roster if you are a 50 miler, and if anything differs from your plans for drill weekend, notify your chain of command immediately.

Semper Fidelis Marines! I look forward to meeting the rest of you!

(b)(6)

~Ambush-8

Commanding Officer's Comments

Ambush,

Welcome back. Fiscal year 2021, which begins in October, will be a reloading year for the battalion as we come off of the UDP. During this DWE, company leadership will outline what the next year will entail and what our focuses will be.

The key focus for October DWE needs to be initiative and efficiency. We have a lot to accomplish in just two days and we will not tolerate standing around and waiting to be told what to do. The absence of direction or the unplanned periods of time between events is the small unit leader's opportunity to train, develop and mentor - do not let any opportunities go to waste.

Bring the attitude, the energy and the violence with you this month.

~Ambush-6

Ambush Company Announcements

Training

Ambush,

I would like to start off by saying it's been a pleasure to serve alongside all of you. It's been almost four full years we have been together, and unfortunately I will not be making October's DWE. If you ever need anything from me do not hesitate to reach out! I have learned so much from being a part of this company and wish nothing but success in your future as you all start up this new FY. Take what you have learned throughout the deployment and pass it on to our new Marines we have in the company. You all have a lot to accomplish during this next drill weekend, which I'm sure given our reputation in the past, is just business as usual. So again, come back motivated and ready to execute.

Semper Fidelis

~Agave Out.

(b)(6) **usmc.mil**

Ambush, how're ya now?

I look forward to having you all back. It's going to be a fast and furious four drills. FY21 is shaping up nicely. Let's start off on the right foot. Read this document in its ENTIRETY, follow the instructions to the letter, and complete all preliminary tasks. The SSP Screener Pamphlet is being sent along with these drill notes. If you are interested in attending the screener and you meet all the prerequisites, ensure you notify your chain of command during Oct DWE so we can get you on the list. Any questions or concerns, you know how to reach us. KILL THE ENEMY!

~Ambush-7

Medical

Injury Management

The following Marines need to call (b)(6) with a medical or dental update. Please update NLT 18 Sep 2020:

Any Marines on LOD, TNPQ, or Class III Dental.

We are preparing for Medical Stand-down. Please go to the PHA website and register. If you have not registered with PHA website then you will have to do it before securing 18 Sep 2020.

<https://data.nmcphc.med.navy.mil/pha/Index.aspx?NetStatus=LimitedPerformance>

Attached with these notes is the COVID-19 Screening Questionnaire. Please complete and bring to drill with you when you come. If you are exhibiting COVID-19 symptoms or have been exposed to COVID-19. Please contact your leadership before coming to drill. Any questions please don't hesitate to contact (b)(6) for guidance.

POC: (b)(6) **usmc.mil**

Supply

- If you rate a hotel, please ensure that you are signing the roster at the front desk EACH night that you are staying. This will ensure I keep track of who stays and I can process this for payment in a timely manner.
- ICCE will be issued during this period. At the moment, not everything is available for everyone to have. When you receive yours, please carefully inventory each item, check for fit and serviceability, then initial and sign the IMR card and return to Supply. If any of your ICCE issue does not fit properly or is in poor condition, bring it to my attention AFTER the initial inventory.
- Marines that require uniform replacement must inform Supply. You don't need to bring the item right away, but a one-for-one swap will be made once the new item arrives. This includes every uniform item that was issued to you in bootcamp. Any concerns, please let me know.
- If you've gotten promoted or are expected to pick up soon, please bring it up to my attention to ensure you have the necessary uniform items.
- If there is a need for supplies, especially for instruction purposes, please bring it to my attention. Keep in mind all training exercises that are soon approaching. It is my duty to ensure we have what we need at all times.

POC: (b)(6) **usmc.mil**

Admin

- If you do not know your CAC pin please locate and visit your local DEERS to get it reset. You will be required to use your CAC during this drill.
- If you have gotten married please send me your marriage certificates. If you have had a child I need the child's birth certificate.
- If you need to update your primary address, bring in 2 forms of proof of address. See MARADMIN 204-15 for approved forms of proof address.
- More information will follow in the frost call.

POC: (b)(6) **usmc.mil**

Armory

- Newly appointed PLT armory custodians will be familiarized with their role. Everyone will receive their weapons cards and armory SL3 issue.
